INSTRUCTIONS:

All international applicants requesting F-1 or J-1 (student) visa status must complete this form and send it to the PharmD Admission Office (apply@pharmacy.wisc.edu) for their application to be considered complete.

After being admitted and before enrolling in the PharmD program, international applicants must show that they have sufficient funds to cover their expenses while attending the University of Wisconsin-Madison. International applicants must provide financial documents such as bank statement(s) and a sponsor letter of support to obtain their I-20 through UW-Madison. Appropriate financial support documents will depend on the student's type of sponsor. Students should only provide funding sources where funds are liquid. All accepted PharmD students must show sufficient funds for one year of professional study.
